PRESENT

“Liberating the Liberal Arts: On Re-learning the Art of Being Free”

# PATRICK J. DENEEN

Should education encourage liberation? Or should it cultivate self-restraint?  
Deneen explains why these questions matter and what the  
answers to them mean for our society.

Patrick J. Deneen is Tsakopoulos-Kounalakis  
Associate Professor of Government at Georgetown  
University, and is the Founding Director of The Tocqueville  
Forum on the Roots of American Democracy.
